DEPUTIES* MEETING

Monday, 25 April 1955

25X1

PRESENT: Mr. Dulles, General Cabell, Messrs, Wisner, Amory, Kirkpatrick, Bissell, Helms, Lloyd, Sheldon.

Mr. Dulles:

a. Asked Mr. Wisner to find out whether State plans to pull together the results of the Bandung Conference. The Director noted that possibly we should contribute to this and, in any event, felt it should be done. Mr. Wisner said CIA should tap those people whom we had briefed, and Mr. Helms remarked that a cable had already gone out to do this. Mr. Amory suggested that a round-up piece should be included in this week's Weekly and also suggested that the Director might wish to hold an off-the-record dinner for selected newspaper correspondents who had attended this meeting. The Director said this was a good idea and he would consider it.

b. Stated he had been advised that was planning to play up on radio liberation the meeting of the U.S. and Soviet soldiers at the Elbe in 1945 and asked DD/P to find out about this. The Director said that he was not too keen about this plan and indicated he felt it should be called off.

c. Noted that Ambassador Warren had returned and stated he would like to see him. General Cabell suggested that we invite him to lunch and undertook to do so. The Director said he would attend.
